“Three years ago, our insurance package increased by an astronomical amount, even though there were no claims or losses in any of our four companies. Our companies were shocked and struggling to find a reasonable insurance company to handle our properties’ needs.

We are so grateful we did speak with LeadingAge Recognized Insurance Program, who, while providing more comprehensive coverage, saved us a little over \$32,000 annually.”

Jennifer McEvoy-Riley, Executive Director
St. Simeon Properties

“The Program’s cost and coverage has met our needs for 20 years.”

Jane S. Ipsen, President

2. We work with your broker to provide you with a premium indication for LeadingAge-Recognized Commercial Insurance Program products.
